Trust us

We know how to protect you in the event of a crisis, and our crisis management experience, industry - leading service, and history of financial strength make it possible for us to be there for you when you need help, so you can focus on your business

We know how to protect you in the event of a crisis

A customised policy

We can tailor a Special Risks policy to meet the complex needs of our clients:

- Group unnamed cover for lodges/hotels that provide cover for their guests whilst under the custody care and control of the establishment
- Group unnamed cover for professional sports clubs, their players and staff (in-country and on tour)
- Short period unnamed cover for relevant participants/ staff (if required) for sporting events
- Short period unnamed cover for universities and schools sports and cultural tours
- Split policies: We can cover high net worth families (on our family wording) and their companies (on our corporate wording), under one policy

SPS Crisis and Risk Management

TRUM policyholders benefit from our partnership with SPS, leading experts in risk management and assistance globally. SPS respond to events insured under our special risks policies and have an outstanding track record working at the forefront of crisis and risk management.
